Attached is a draft invitation to Community elements to provide representatives to serve with on the Intelligence Community Working Group being assembled to complete the next step in the long-term planning process.

Because the final version will require originals for each of the 13 addressees, we thought it would be more efficient to have you review a draft before requesting DDCI signature.

The addressees differ in two instances from those contacted last year: the CIA invitation is extended to the Executive Director vice the DDI, and the Chairman, IPC, is added to the list.
